DEVOTION TO OUR LADY

Mary is a sign of *hope* because what she has done we can do, for in a certain sense we are all Mary. She is a *consolation* because in her humanity Mary had her doubts and hesitations; she had her moments of concern for a Son who was not in the ordinary mould; her grief was real and her tears bitter in the face of her child's apparently senseless death.

We pray therefore:

Holy Spirit of God, help us to know and love Mary; Holy Mary, pray for us that we may be able to enter in love into the mystery of God through the power of the Holy Spirit. Amen.
