**SUNDAY 2 OCTOBER IS THE DAY FOR LIFE.** This is celebrated each year by the Catholic Church. It is a day dedicated to raising awareness about the meaning and value of human life at every stage, and in every condition. Every person is loved by God and every life is a precious gift never to be destroyed or neglected. It is wrong to hasten or bring about death. God will call us in his own good time. Life itself is a gift from God, and death at life's natural end is but the gateway to new life with Him.

**OCTOBER IS MISSION MONTH.** This gives us all the opportunity to reflect on our baptismal call to bring Christ to others, which is a privilege in itself. The gift we have been given, we are asked to give. Our gift to the world is the joy of the Gospel and our Irish missionaries continue to bring the Good News to people throughout the world. World Missions Ireland, the working title of the four Pontifical mission societies, organises the Mission Sunday collection in all Churches nationwide.

**Mission Sunday falls on the 23<sup>rd</sup> October.** Our theme is 'Every Christian is a Missionary.' We can all do our part in an open, joyful and generous way. For further information on WMI or to make a donation please visit [www.wmi.ie](http://www.wmi.ie)
