**OCTOBER IS MISSION MONTH.** Little children of Ireland have a lovely day to look forward to this week. The National day of Prayer for Children takes place this coming Friday, the 14<sup>th</sup> October. Organised by the Society for Missionary Children, the occasion gives children a good opportunity to think of those children who are less fortunate, to pray for those less fortunate and to share with those less fortunate.

Children love to know that they are important members of a global circle of praying, sharing and caring, in this, the Mission Month of October. They have generous hearts, missionary hearts, and so are open to the idea of including other little children in their thoughts. The National Day of Prayer is now in its ninth year. For further information on the Society of Missionary Children or to make a donation please visit [www.wmi.ie](http://www.wmi.ie)

**SAFEGUARDING CHILDREN.** As a diocese and as a parish, we want to do our very best to ensure the safety of all our children.

We will strive to provide a safe environment for your child.

We will listen if your child has any worries or concerns.

We will report all concerns and allegations to the civil and religious authorities

We also intend to have all our personnel involved in the different ministries in our parish Garda vetted. This is happening in all other organisations as well e.g.

G.A.A., Comhaltas, Schools etc.

*We know that we will get your cooperation in this important work of providing and ensuring a safe environment for our people and particularly our children.*

**THE YEAR OF MERCY:** "God's mercy overcomes every barrier and Jesus' hand touches the leper. Jesus does not stand at a safe distance, and does not act by delegating, but places himself in direct contact with our contagion" –Pope Francis.

**Reflection:** Jesus takes from us our diseased humanity and we take from him his sound and healing humanity. This happens each time we receive a sacrament with faith. The Lord Jesus "touches" us and grants us his grace.

**Action:** What social barriers must I overcome to be an instrument of mercy?
