Sacristan in Boherlahan Church. It is with a sense of regret and sadness that we inform you that Pat and Mary Donnelly have decided to retire from the work of sacristan. They have been so loyal and faithful in their duties and as priests and people we owe them an enormous depth of gratitude. We hope to pay tribute and honour their generosity and service at a function on a later date. They plan to end their term of service at the end of July. In the meantime, if anyone is interested in becoming involved in this work, we would ask them to contact either of the priests.

Courage Isn't courage something we really admire in people? A child learning to walk and making efforts, even if he falls or she has to be helped at every step. A young person trying again after exam failure, or making yet another job application. People who make it against the odds of illness or disability or deep hurt. Courage is strength from the inside. How to nourish this strength? Just look at the face of Jesus and see the face of God alive with courage despite rejection; a face communicating strength—strength born in the depths of his suffering—strength to his friends like you and me when we suffer. We need courage in life; when the care we try to offer is rejected and we feel let down and no good. We need courage when we try to work on behalf of those who are neglected, homeless, poor, and our efforts are destroyed by greed in society. We need courage in the love which cares for people in pain, and we feel helpless and angry on their behalf. Look at the face of Jesus, alive and shining with courage; look at the eyes of Jesus, eyes hopeful with love and friendship, shining with compassion, for you and me; an enduring love which is faithful forever. His endurance won him victory even over death; he will ensure that our endurance will win us ours.
