REFLECTION: Today is My Day. *Today is the day I put aside all that worried or upset me yesterday. Today is the day I say 'no' to any thought, any feeling, any remembrance of past hurt of disappointment. Today is the day I say 'yes' to life. Today is the day I see that I can do more, be more, live more. Today is the day I know that neither my happiness nor my success depend on any person, place or thing. Today is the day I see in myself all the qualities I need to be happy, to be fulfilled, to be successful in all that I undertake. Today my world is fresh and new. Today I am filled with self-confidence, with the assurance that I am the master of my life. Today I set about to accomplish great things, to live up to the high expectations I have for myself. Today I will succeed, for God is with me and his Spirit in me is my inspiration and my capability. Today is my day! (Barbara King).*
