We wish them well as they move on to new pastures in Secondary school. We welcome a new group of servers with their leaders from last year. Food for thought: "The future of the Church can and will issue from those whose roots are deep and who live from the pure fullness of their faith. It will not issue from those who accommodate themselves merely to the passing moment or from those who merely criticise others and assume that they themselves are infallible measuring rods. Nor will it issue from those who take the easier road, who sidestep the passion of faith, declaring as false and obsolete, tyrannous and legalistic, all that makes demands upon them, that hurts them and compels them to sacrifice themselves" (spoken in 1969 by Fr Joseph Ratzinger, the future Pope Benedict XVI, during a German radio interview)
