Tue 27 Aug is the memorial of **St Monica** (332-87), patron saint of mothers. She is credited with the conversion of her son St Augustine through her prayers.

Wed 28 Aug is the memorial of **St Augustine**, bishop and doctor of the Church (354-430). His theological writings continue to have an important influence in the Church today. He is a patron of theologians.

Thurs 29 Aug is the memorial of the **Passion of St John the Baptist**. Today marks the anniversary of the Episcopal Ordination of Archbishop Kieran O'Reilly. We pray for him and for his ministry in our diocese.

Today's Responsorial Psalm invites us to "Go out to the whole world; proclaim the Good News." The Listening Process has identified young parents as a vital group to keep involved and supported, e.g. "young parents to be asked to set up a group to discuss their ideas for the future of the church", "put some programme in place for new younger families" and "I have a young family and I like to set a positive example for them." (p. 26 Diocesan Listening Report). Reflection Question: How can we work with and support young parents?

Solidarity: we know that God will ask each of us, “What did you do for your brother? (cf. Genesis 4:9-10). The globalization of indifference, which today burdens the lives of so many of our brothers and sisters requires all of us to forge a new worldwide solidarity and fraternity capable of giving them new hope and helping them to advance with courage amid the problems of our time and the new horizons which they disclose and which God places in our hands.
