4. Current guidelines for choirs and singers remain in place.
5. Guidelines are aimed at protecting and reassuring. We ask everyone to use good common sense in regard to these measures. We thank you for your wonderful cooperation thus far.

### **Let me be Sensitive to Others**

Lord our God, you have made me in your own likeness and you love all that you have made. I thank you for all that has been positive in my life. I ask to live in such a way that I may learn from whatever I find is negative or hurtful in my life. May my shortcomings and weaknesses teach me how to be sensitive to others, that I can be more caring and compassionate for others who experience difficulties. Help me to grow in faith and live each day to the full. Amen.

**To Give and not to Count the Cost**

Teach us, good Lord, to serve you as you deserve, to give and not to count the cost, to fight and not to heed the wounds, to toil and not to seek for rest, to labour and not to ask for any reward save that of knowing that we do your will. Amen. (St Ignatius Loyola)
